

Stand out to stand up for better care

Tips to win CCBHC grants

The mission of Certified Community Behavioral Health Clinics (CCBHCs) is more important than ever. That's why organizations like yours need and deserve the millions of dollars available through grant funding. However, your application needs to stand out. Our comprehensive research shows that in the past year, CCBHCs awarded grant funding listed these needs in their successful applications:

26%
suicide crisis

95%
prevalence and
unmet addiction
needs and treatment

31%
creation or
expansion of
mobile crisis teams

25%
expansion of Medication
Assisted Treatment
and services

12%
workforce expansion

100%
expand access to mental
health, addiction and
primary care services

48%
outreach and
integrated care for
veterans and families

28%
jail and emergency
department discharge
and follow up

15%
expand school-
based programs

20%
expand virtual care
