

Computrition third party pass through terms:

Software License. Subject to the following terms and conditions (the "Terms") (including Licensee's obligation to pay any and all applicable fees when due), Licensors hereby grants to Licensee (via a sublicense through Netsmart Technologies Inc.) and Licensee hereby accepts, a non-exclusive, non-transferable, non-sublicenseable annual subscription-based license, to use the computer software products and systems described in a mutually agreed upon schedule (a "Schedule") (in Executable Code form) (the "Software") and attendant end user documentation provided therewith, in either hard copy or electronic format (the "Documentation").

Additional Software. If Licensee requests to upgrade the Software or to license and use program modules or workstations/clients in addition what Netsmart is providing as described hereto, the parties agree to execute an addendum for each such upgrade or additional program module or workstation(s)/client(s).

No Sale of Software. Licensee acknowledges and agrees that Licensors never sells but only licenses the right to "use" its Software, Documentation, and related materials, and that no sale or other transfer of any title or ownership or any proprietary interest of any kind whatsoever in or to such Software, Documentation, or related materials is contemplated hereunder.

Ownership; Proprietary Rights Notices. The Software, Documentation, and related materials supplied by Licensors hereunder, and all Intellectual Property Rights therein or related thereto, are and will remain Licensors's sole and exclusive property. All rights in and to the Software, Documentation, and related materials not expressly granted to Licensee under these Terms are reserved by Licensors and its suppliers, and there are no implied licenses granted hereunder. Licensee agrees not to remove, alter, or obscure any proprietary rights notices (including copyright notices) on the Software, Documentation, or related materials, or authorize any third party to do so. As used in these Terms, the term "Intellectual Property Rights" means and includes all copyrights, trade secrets, patents, patent applications, moral rights, contract rights, trademarks, service marks, and other proprietary rights.

Use Rights. Licensee acknowledges and agrees that only the Licensee sites listed in a Schedule (as applicable) may share the license and use the Software licensed hereunder. No other Licensee sites may use the Software without Licensors's express, prior written consent. Without limiting the generality of the foregoing, Licensee will have the right to use the Software licensed hereunder to process the information of its patients, clients, and customers.

Licensee's Ownership Rights. All data relating to Licensee's operations and all data files created by or for Licensee are and will remain the property of Licensee.

Hardware. Licensee agrees that the Software licensed hereunder will be installed on a computer system(s) (the "Hardware") compatible with Licensor's specifications. Licensee will be responsible for supplying the Hardware and procuring Hardware maintenance throughout the term of the applicable Software license. For the avoidance of doubt, Licensor will not be responsible for Hardware maintenance. Should Licensee elect not to utilize Licensor's optional technical support services, Licensor will not be responsible for providing technical support of the operating system and/or related configuration. Any Hardware purchased from Licensor will be warranted by the manufacturer to the extent and for the period specified by such manufacturer. Licensee agrees that Licensor will not be responsible for the installation specifications (including cabling, power, space, etc.), or the installation, operation, maintenance or technical support of the Hardware.

Duration of Specifications. Licensor uses commercially reasonable efforts to ensure that Hardware specifications remain current. However, Licensee acknowledges that as current technology changes and becomes obsolete, Licensor may be required to update specifications accordingly and therefore, Licensor is unable to guarantee compatibility with current hardware or third party software specifications for more than one (1) year after the hardware or software has been recommended.

Terms Specific to Oracle Components. The following terms and conditions apply to any and all Oracle programs (the "Oracle Programs") used with or incorporated within the Software. In the event that the terms of this Section conflict with any other terms set forth in these Terms, the terms of this Section will apply, but only with regard to the Oracle Programs. Use of the Oracle Programs is limited to use by the legal entity that executes this Agreement, and further is restricted to use of the Oracle Programs within the scope of use as embedded in or bundled with the Software. Use is limited to Licensee's internal business operations. Licensee's agents or contractors (including without limitation, outsourcers) are permitted to use the Oracle Programs, solely on Licensee's behalf for Licensee's internal business purposes as described above, subject to the other terms and conditions of these Terms, provided that Licensee is and will remain responsible and liable for Licensee's agents' and contractors' (including outsourcers') use of the Oracle Programs and compliance with these Terms. Oracle or its licensors retain all ownership and intellectual property rights to the Oracle Programs. Notwithstanding anything set forth in these Terms to the contrary, Licensee may not assign, give, or transfer the Oracle Programs and/or any Oracle services ordered or an interest in it for them to another individual or entity. Licensee is expressly prohibited from: (a) using the Oracle Programs for rental, timesharing, subscription service, hosting, or outsourcing; (b) removing or modifying any program markings or any notice of Oracle's or its licensors' proprietary rights; (c) making the Oracle Programs available in any manner to

any third party for use in such third party's business operations (unless such access is expressly permitted for the specific Software license); (d) doing anything that would result in title to the Oracle Programs passing to Licensee or any other party; (e) reverse engineering (unless required by law for interoperability), disassembling, or decompiling the Oracle Programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs); (f) reproducing the Oracle Programs, except for a sufficient number of copies of the Oracle Program for Licensee's licensed use, as well as one copy of the Oracle Program media. Oracle disclaims liability for: (i) any and all damages, whether direct, indirect, incidental, special, punitive, and/or consequential; and (ii) any loss of profits, revenue, data or data use, arising from the use of the Oracle Programs. Upon the expiration or early termination of these Terms for any reason, Licensee agrees to immediately discontinue use and to destroy or return to Licensor all copies of the Oracle Programs and related documentation. Licensee may not publish any benchmark tests run on the Oracle Programs. Licensee agrees to comply fully with all relevant export laws and regulations of the United States and other applicable export and import laws, to assure that neither the Oracle Programs, nor any direct product thereof, are exported, directly or indirectly, in violation of applicable laws. Licensee acknowledges and agrees that the Oracle Programs are subject to a restricted license and can be used only in conjunction with the Software. Oracle is not required to perform any obligations or incur any liability not previously agreed to between Licensor and Oracle. Licensor shall have the right, at any time, to audit Licensee's use of the Oracle Programs, and Licensee agrees to provide reasonable assistance and access to information in the course of such audit; Licensor has the right to report the audit results to Oracle, or to assign Licensor's audit rights to Oracle. In no event shall Oracle be responsible for Licensee's costs incurred in connection with the audit. Licensee acknowledges and agrees that some Oracle Programs may include source code that Oracle may provide as part of its standard shipment of such programs, which source code shall be governed by these Terms. Third party technology that may be appropriate or necessary for use with some Oracle Programs is specified in the Documentation or otherwise notified by Licensor. Such third party technology is licensed to Licensee only for use with the Software under the terms of the third party license agreement specified in the Documentation or as otherwise notified by Licensor, and not, for the avoidance of doubt, under these Terms. Oracle is a third party beneficiary of these Terms.

IP Protection, Security, and Confidentiality. Licensee acknowledges that: (a) the Software, Documentation, and related materials constitute valuable assets and trade secrets of Licensor; (b) Licensor has significant proprietary rights and interests in and to the Software, Documentation and related materials; and (c) any information with respect to the foregoing items is, and shall continue to be, Licensor's Confidential Information. Accordingly, the parties agree that:

(A) Except as permitted hereunder, the Software, Documentation, and related materials will not be used for the benefit of any entity other than Licensee, on any computer system(s) other than Licensee's owned and operated computer system(s), or at any location other than Licensee site(s) listed in a mutually agreeable Schedule (as applicable), or for any purpose other than the purpose stated by Licensee and approved by Licensor. Further, Licensee will not copy the Software, Documentation, or related materials without Licensor's prior written permission, except as expressly permitted hereunder. Licensee may maintain a reasonable number of back-up copies of all Software, Documentation, and related materials for archival and disaster recovery purposes. All copies of the Software, Documentation, and related materials must retain all proprietary rights markings as on the original;

(B) Licensee agrees not to: (i) modify, adapt, alter, translate, or create derivative works from the Software, (ii) merge the Software with other software; (iii) reverse engineer, decompile, disassemble, or otherwise attempt to derive the Source Code for the Licensed Software, or (iv) otherwise use or copy the Software except as expressly allowed under this Agreement. As used in this Agreement, the term "Source Code" means the human-readable version of a software program that can be compiled into Executable Code;

(C) In addition, except as and to the extent expressly permitted hereunder (if at all), Licensee will not sell, assign, transfer, sublicense, lease, rent, loan, or otherwise make available for any purpose, whether gratuitously or for consideration, the Software, Documentation, or any related materials or other information relating thereto, or any services provided by Licensor hereunder, to any third party of any nature; and

(D) Neither party will disclose any of these Terms to anyone other than its attorneys, accountants, and other professional advisors, except (i) as required by law, or (ii) pursuant to a mutually agreeable press release. Without limiting the foregoing, each party (the "Receiving Party") acknowledges that the other party (the "Disclosing Party") may possess certain trade secrets or proprietary or confidential information, (including, in the case of Licensee, patient information) (the "Confidential Information"), which may be shared with the Receiving Party or to which the Receiving Party may become exposed pursuant to these Terms. The Receiving Party agrees not to disclose the Disclosing Party's Confidential Information to any third party. Except for information pertaining to patient data and records, the disclosure of which is prohibited, the Receiving Party's confidentiality obligations hereunder will not apply to information which the Receiving Party can document: (a) was already known to the Receiving Party prior to entering negotiations relating to these Terms; (b) has become publicly available through no fault of the Receiving Party; (c) was rightfully obtained by the Receiving Party from a third party without restriction as to disclosure, or is approved for release by the Disclosing Party's written authorization; (d) was

developed independently by the Receiving Party without access to, or use of, the Disclosing Party's confidential information; (e) is shown by written record to have been known or available to the Receiving Party without restriction as to disclosure at the time the Receiving Party received such information; or (f) is required to be disclosed by law. For purposes of these Terms, Licensor's Confidential Information shall include those items described in this Section, as well as any other materials provided by Licensor to Licensee and marked as "confidential" or "proprietary" or with a similar marking. Licensee's Confidential Information shall include Licensee's patent information, as well as those materials provided by Licensee to Licensor and marked as "confidential" or "proprietary" or with a similar marking. The provisions of this Section will survive termination of these Terms.

REPRESENTATIONS AND WARRANTIES.

Limited Product Warranty. For a period of thirty (30) days (the "Software Warranty Period") following the initial delivery of the Software to Licensee, Licensor warrants that such Software, when used as permitted under these Terms and in accordance with the instructions in the Documentation (including use on a Hardware and operating system platform supported by Licensor) will operate as described in the Documentation in all material respects. Licensor does not warrant that Licensee's use of the Software will be error-free or uninterrupted. Licensor will, at its own expense and as its sole and exclusive obligation and Licensee's sole and exclusive remedy for any breach of this warranty, use commercially reasonable efforts to correct any reproducible error in the Software reported to Licensor by Licensee in writing during the Software Warranty Period or, if Licensor determines that it is unable to correct the error, Licensor will refund to Licensee all License Fees actually paid for the affected Software, in which case this Agreement and Licensee's right to use the affected Software will be terminated. Any such error correction provided to Licensee will not extend the original Software Warranty Period.

Services Warranty. Licensor will render the professional services to be rendered under this Agreement in a competent and workmanlike manner at least equivalent to customary standards of the data processing industry for similar services. In the event that Licensee notifies Licensor in writing of a breach of the foregoing warranty with respect to a particular professional service within thirty (30) days following the provision of such service by Licensor, then as Licensor's sole and exclusive obligation and Licensee's sole and exclusive remedy, Licensor will re-perform the service in a conforming manner or, if Licensor determines that it will be unable to do so, then Licensor will refund any amounts paid by Licensee for the particular service.

Warranty Disclaimer. THE FOREGOING WARRANTIES ARE IN LIEU OF, AND LICENSOR HEREBY DISCLAIMS, ALL OTHER WARRANTIES, WHETHER

EXPRESS, IMPLIED, OR STATUTORY, REGARDING THE SOFTWARE, DOCUMENTATION, AND OTHER MATERIALS PROVIDED HEREUNDER, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, INTERFERENCE WITH LICENSEE'S QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. EXCEPT FOR THE EXPRESS WARRANTIES STATED IN THIS SECTION 7. THE SOFTWARE, DOCUMENTATION, AND OTHER MATERIALS ARE PROVIDED "AS IS" AND WITH ALL FAULTS, AND THE ENTIRE RISK AS TO SATISFACTORY QUALITY, ACCURACY, AND EFFORT IS WITH LICENSEE. LICENSEE ACKNOWLEDGES AND AGREES THAT IT HAS NOT RELIED ON ANY ORAL OR WRITTEN INFORMATION OR ADVICE, WHETHER GIVEN BY LICENSOR, ITS SUPPLIERS, DEALERS, DISTRIBUTORS, AGENTS, OR EMPLOYEES.

Term; Termination; Effect of Termination.

Each license granted hereunder will commence on the date specified in the applicable Schedule and will continue for a period of one (1) year thereafter. Following the initial license term, the term of such license will renew for successive periods of one (1) year each, subject to Licensee's payment (in advance) of the applicable annual license subscription fees to Licensor (through Netsmart) for the renewal period, and subject as well to these Terms. FOR THE AVOIDANCE OF DOUBT, IN THE EVENT THAT (I) LICENSEE FAILS TO PAY (IN ADVANCE) THE APPLICABLE ANNUAL LICENSE SUBSCRIPTION FEES FOR THE RENEWAL PERIOD, OR (II) NETSMART FAILS TO REMIT LICENSEE'S PAYMENT TO LICENSOR, OR (III) THE VAR AGREEMENT BETWEEN LICENSOR AND NETSMART TERMINATES FOR ANY OTHER REASON (INCLUDING BUT NOT LIMITED TO NONPAYMENT), THEN LICENSOR RESERVES THE RIGHT TO ELECT ONE OF THE FOLLOWING REMEDIES (WITHOUT LIMITING LICENSOR'S OTHER AVAILABLE REMEDIES): (A) NOTIFY LICENSEE THAT THESE TERMS (AND THE APPLICABLE LICENSE(S)) WILL IMMEDIATELY TERMINATE (OR HAS TERMINATED) EFFECTIVE AS OF THE EXPIRATION OF THE THEN-CURRENT LICENSE TERM (OR EARLIER, UPON THE EFFECTIVE DATE OF TERMINATION OF THE LICENSOR-NETSMART AGREEMENT IN THE EVENT OF (III) ABOVE); OR (B) ALLOW THE AFFECTED LICENSE(S) TO RENEW FOR ANOTHER RENEWAL PERIOD, IN WHICH EVENT, THE ANNUAL LICENSE SUBSCRIPTION FEES FOR SUCH RENEWAL PERIOD WILL CONTINUE TO BE PAYABLE (PROVIDED, HOWEVER, THAT IF LICENSOR DOES NOT AFFIRMATIVELY NOTIFY LICENSEE THAT ALTERNATIVE (A) OR (B) HAS BEEN SELECTED, THEN ALTERNATIVE (B) WILL APPLY). In addition, notwithstanding the generality of the foregoing, Licensor may elect to not renew the applicable Software licenses in the event that either of the following events occurred during the license subscription term then ending: (a) Licensee materially breached these Terms (regardless of cure), or (b) Licensee initiated any claim against Licensor for breach of contract.

Provided that there are no outstanding payments due to Licensor, Licensee may terminate these Terms (and the affected license(s)) by giving Licensor sixty (60) days prior written notice. However, in the event that Licensee terminates these Terms and the affected license(s), Licensee acknowledges that Licensor and Netsmart shall not be required to refund any license or service fees paid by Licensee hereunder. Licensor may terminate these Terms and the affected license(s), effective immediately upon written notice to Licensee, if: (a) Licensee breaches any provision set forth in the section entitled, "IP Protection, Security, and Confidentiality"; (b) Licensee fails to pay any portion of any fees when due within ten (10) days after receiving written notice from Licensor that payment is due; or (c) Licensee breaches any other provision of these Terms and does not cure the breach within thirty (30) days after receiving written notice thereof from Licensor.

Upon any termination of these Terms, any amounts owed to Licensor before such termination will be immediately due and payable, and all licensed rights granted in these Terms will immediately cease to exist. In addition, within ten (10) days following termination of these Terms, Licensee will immediately cease using, and return and deliver to Licensor all copies of the Software, Documentation, and related materials in Licensee's possession, and any and all copies thereof made by Licensee. Further, Licensee will warrant to Licensor in writing, signed by a duly authorized officer of Licensee, that all copies of the Software stored in Licensee's computer(s) have been erased and have not been otherwise retained as archive copies, and that all copies of the Documentation and related materials have been returned to Licensor.

The following sections will survive the termination of these Terms for any reason: (a) Ownership; Proprietary Rights Notices; (b) Licensee's Ownership Rights; (c) Terms Specific to Oracle Components; (d) IP Protection, Security, and Confidentiality; (e) Warranty Disclaimer; (f) Term; Termination; Effect of Termination (with regard to the effect of termination and survival provisions); and (g) Limitation of Liability.

Limitation of Liability.

Except as otherwise provided herein, Licensor will not be liable to Licensee for any loss or damage to Licensee or any third party, caused by failure of any Software licensed hereunder to function, in whole or in part. In no event will Licensor be liable for any special, incidental, exemplary, punitive, indirect, or consequential damages, or for any lost data or lost profits, arising from or relating to this Agreement even if Licensor has been advised of the possibility or potential of such loss or damage. In no event will Licensor be liable for any loss or damage due to the negligence of Licensee and/or use of the Software other than as specified in the Documentation provided to Licensee describing use of such Software. In any event, the cumulative total of Licensor's liability hereunder, whether in contract or tort or otherwise, will not exceed the total of all Software

license initialization fees paid to Licensor (via Netsmart) by Licensee hereunder, less a reasonable amount for use, plus the last year of annual license/subscription services fees paid to Licensor by Licensee hereunder.

LICENSEE ACKNOWLEDGES THAT THE LICENSE FEES REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND THAT LICENSOR WOULD NOT ENTER INTO THESE TERMS WITHOUT THESE LIMITATIONS ON ITS LIABILITY. IN ADDITION, LICENSOR DISCLAIMS ALL LIABILITY OF ANY KIND OF LICENSOR'S SUPPLIERS.

Miscellaneous Provisions

Assignment. Licensee may not assign or transfer, by operation of law or otherwise, any of its rights or obligations under these Terms to any third party without Licensor's prior written consent. Any attempted assignment or transfer in violation of the foregoing will be deemed null and void and of no effect whatsoever.

Notices. All notices, consents, and approvals to be given or received hereunder by the parties will be in writing and will be delivered by messenger courier, or mailed by prepaid registered or certified first class mail, with return receipt requested, to any such party at its principal place of business. Either party may, by notice, change its address for the purpose hereof. Any notice hereunder will be deemed to have been given and effective upon its actual receipt or, when delivery is refused, five (5) business days after being deposited in the mail as required above, whichever occurs sooner.

Governing Law; Venue. These Terms will be governed by the laws of the State of California without regard to conflicts of law principles that would require the application of the laws of another jurisdiction. The United Nations Convention on Contracts for the International Sale of Goods does not apply to these Terms. THE PROVISIONS OF THE UNIFORM COMPUTER INFORMATION TRANSACTIONS ACT WILL NOT APPLY TO THESE TERMS. Any and all disputes, claims, or litigation arising from or related in any way to these Terms will be resolved exclusively by the courts of the State of California. Licensee waives any objections against and expressly agrees to submit to the personal jurisdiction of the Municipal and/or Superior Courts of the State of California, County of Los Angeles, and the U.S. District Court for the Central District of California. Licensee hereby agrees not to raise and waives any objection or defense it may have based upon an inconvenient forum.

Waivers. All waivers must be in writing. The waiver or modification of any term or condition of these Terms will not void, waive or change any other term or condition hereof. The waiver by either party of a breach by the other will not be

construed as a waiver of future or other breaches. No delay or failure of either party in exercising any right hereunder and no partial or single exercise thereof will be deemed of itself to constitute waiver of such right or any other rights hereunder.

Severability. If any provision of these Terms is unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions will continue in full force and effect. Without limiting the generality of the foregoing, Licensee agrees that the provisions set forth in "Limitation of Liability" will remain in effect notwithstanding the unenforceability of any provision set forth in "Representations and Warranties".

Export. Licensee acknowledges that the laws and regulations of the United States restrict the export and re-export of commodities and technical data of United States origin, including the Software. Licensee agrees that it will not export or re-export the Software in any form in violation of the export or import laws of the United States or any foreign jurisdiction. Licensee will defend, indemnify, and hold harmless Licensor from and against any violation of such laws or regulations by Licensee or any of its agents, officers, directors, or employees.

Inspections. Licensee will permit Licensor or its representatives to review Licensee's relevant records and inspect Licensee's facilities to ensure compliance with these Terms. Licensor will give Licensee at least ten (10) days advance notice of any such inspection and will conduct the same during normal business hours in a manner that does not unreasonably interfere with Licensee's normal operations.

Government End Users. If Licensee is a branch or agency of the United States Government, the following provision applies. The Licensed Software and Documentation are comprised of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 and are provided to the Government (i) for acquisition by or on behalf of civilian agencies, consistent with the policy set forth in 48 C.F.R. 12.212; or (ii) for acquisition by or on behalf of units of the Department of Defense, consistent with the policies set forth in 48 C.F.R. 227.7202-1 and 227.7202-3.

Remedies. Except as provided in the provisions set forth in "Representations and Warranties", the parties' rights and remedies under these Terms are cumulative. Licensee acknowledges that the Software contains valuable trade secrets and proprietary information of Licensor, that any actual or threatened breach of the provisions set forth in "IP Protection, Security, and Confidentiality" will constitute

immediate, irreparable harm to Licensor for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. If any legal action is brought to enforce these Terms, the prevailing party will be entitled to receive its attorneys' fees, court costs, and other collection expenses, in addition to any other relief it may receive.

Force Majeure. The obligations of the parties hereunder will be suspended to the extent and for the period of time that either party is hindered or prevented from complying therewith because of labor disturbances (including strikes and lockouts), acts of God, fires, storms, water, unreasonable delays in transportation, governmental action or any other cause reasonably beyond either party's control. The party who has been so affected will promptly give notice to the other party and will use commercially reasonable best efforts to resume performance as soon as possible. The foregoing provisions shall not apply to Licensee's obligation to pay any amounts to Licensor when due.

Construction. The section headings contained in these Terms are for reference purposes only and will not affect in any way the meaning or interpretation of these Terms. As used in these Terms, the word "including" means "including but not limited to".

Integration. These Terms, including any and all Schedules (which are incorporated herein by this reference): (i) supersedes all negotiations and constitutes the entire agreement between Licensor and Licensee regarding its subject matter; (ii) contains all terms and conditions which will be binding upon either party regarding the subject matter hereof; and (iii) may be changed only by an instrument in writing signed by both parties. The terms of any purchase order or similar document submitted by Licensee to Licensor will have no effect.
