Bio: Dr. Laura Young

Dr. Laura Young is the Nurse Consultant for the Tennessee Department of Mental Health and Substance Abuse Services Division of Hospital Services. She received her Associate of Science in Nursing from Tennessee State University and her Master of Science in Nursing from Vanderbilt University School of Nursing. In addition, she received her Doctor of Nursing Practice from Vanderbilt University School of Nursing with an elective focus in Nursing Education. Dr. Young has been a practicing nurse for over 25 years and has been an Advanced Practice Nurse for the last 6. Her experience has covered a number of areas to include outpatient mental health care in private and community settings, inpatient psychiatric care, serving as adjunct nursing faculty, and as an unblinded drug study manager in clinical drug trials. Dr. Young is board certified as a Family Psychiatric Mental Health Nurse Practitioner.
